

VIRGINIA TECH INTERNSHIP PROGRAM IN MUNICH 2018

1st June - 28th July 2018

Program Cost USD \$5,345.00 (doesn't include airfare)

Virginia Tech, Pamplin College of Business is proud to partner with Global Academic Ventures to offer this cutting edge, customized internship program to our undergraduate students.

Pamplin College of Business understands the significant impact that an international experience can have on a student's academic study and future

professional career. Research compiled by UC Merced shows that 97% of study abroad students found employment within 12 months of graduation, when only 49% of college graduates who did not study abroad, found employment in the same period. That means they were twice as likely to find a job.

Munich is the capital and largest city of the state Bavaria, is also the third largest city in Germany, and has the strongest economy of any German city. The main focuses in Munich are insurance and financial companies, and the city is promoted as one of Europe's leading industry hubs.

The city has been ranked as one of Europe's most dynamic business regions, in terms of it's population, economic strength, employment and real estate. An internship in Munich places a student in the middle of this amazing, competitive business center in Europe, providing outstanding experience and preparation for an international career in many industries.

To come on the Munich program, you **MUST** be earning credit through the internship. You must enroll in MGT 3754 Management Internships and Career Development. Students must meet with Jennifer Clevenger before applying.

For further program information, contact:

Jennifer Clevenger, Director of Global Study Abroad

Internship Placement Process:

1. Complete and submit the Global Internship Application Form outlined on the next page.
2. Initial placement interview will be conducted on campus or via skype after acceptance onto the program and payment of the non-refundable \$1,000 deposit.
3. You may be asked to conduct a company interview. The placement team will be in touch with you to confirm details. Note: not every company requires an interview.
4. Internship placements will be disclosed as soon as possible. Please note that the placement process varies from student to student and is based on the companies' timelines.

Global Internship Application Form

An internship is an unpaid, training position that allows students to gain hands-on experience in a workplace environment relevant to their area of future career interest and current course of academic studies. GAV places students in organizations, companies, government agencies, non-profits, and other workplaces that will provide students a first hand look at what a career in their chosen field might be like and how the industry works in another country.

Please submit completed application forms with a recent copy of your resume to GAV via email: info@globalacademicventures.com

GAV would encourage students to submit their applications and deposits as early as possible. The firm application and deadline is 15th February 2018.

Payment: A one-time, non-refundable deposit of USD \$1,000.00 is due once your application has been approved. The deposit can be paid online or by check, and the details will be emailed to you when you are accepted onto the program.

Please note that once you have been accepted by GAV the rest of the program balance will be due by 15th March 2018. You can also pay this online or by check.

Internship Placement:

Please answer the following questions in a clear and concise manner.

1. Please describe the type of internship placement you are seeking. Be as specific as possible in terms of the field and industry and the type of opportunity that you would like (analytical, working with people, etc.) without mentioning specific company names.

2. Please describe how you feel you are competitive for this type of position. This may include previous work experience, either paid or unpaid, specific coursework, or leadership or volunteer experiences that relate to the internship position you are seeking.

3. Please explain how this internship experience relates to your future career. e.g., what are your goals for this internship placement?
